POLICE PROBE REQUESTED

In a written request August 7, 1973 Robert Silveira, a former member of the Mattapoisett Police Department, has asked Mattapoisett Selectmen to conduct an investigation of the Mattapoisett Police Department. Mr. Silveira's letter reads as follows:

"Please consider this letter a request for an immediate investigation of the Administrative Policies of the Mattapoisett Police Department.

"Of most concern are the policies concerning the daily routine of all men on the department roll and what written guidelines, if any, that pertain to conduct, the dress code, the weapon code, etc.

Respectfully,
Robert A. Silveira"

Police Chief Alfred Faria in an August 6th letter signed by department members had written to the Police Department personnel with a copy submitted to the Selectmen indiciating a complete willingness to cooperate in any department investigation. The text of this letter is:

"Certain allegations have recently been made against the department by former police officers who have resigned in the past.

FLOOD INSURANCE INTEREST

Thirty-six people showed up at the Board of Selectmen's meeting to express strong feeling for Flood Insurance. This unexpected contingent was accommodated in an informal meeting in the Hearing Room of the Town Hall. Mr. George Evans, chairman of the Flood Insurance Program, and the interested people were able to discuss the program at some length. The final result was a general concensus that the program was of such importance that it would be better to bring it up at the annual Mattapoisett Town meeting rather than a special town

Acting on this opinion, the Board of Selectmen has written to Mr. George K. Bernstein, Federal Insurance Administrator of the United States Department of Housing & Urban Development, to ask that Mattapoisett be granted additional time to comply with the regulations. In the meantime, the Board of Selectmen would do everything possible to encourage persons building in the flood zone to comply with the HUD building regulations. Also, they would ask such people to sign a statement indicating that they are aware that their building is in the Flood Zone and that their Flood Insurance rate will be increased commensurate with the distance the lower floor of the structure is below the 100 foot level.

Plan for Court House

LETTER TO COUNTY COMMISSIONER

The following letter was sent by the Board of Selectmen, Rochester to County Commissioner Edward P. Kirby:

Dear Commissioner Kirby:

The Rochester Board of Selectmen feels compelled to again bring to your attention the need for a strong stand to accept the already purchased Rochester land as the site for the proposed new 4th District Court House.

That the County Commissioners would consider the $50,000. purchase of an additional site only a few hundred yards away from an acceptable site already owned by the County seems an indefensible position indeed.

We feel that to entertain either this proposition or the conversion and transfer of the present Middleboro Court House to the County, is to act contrary to the best interests of the already overburdened taxpayers of Plymouth County.

The time has come to present a united effort to make the badly needed court house facilities a reality of the near future at the Route 28, Rochester location.

We urgently solicit your support in this endeavor.

Very truly yours,
Greenwood Hartley, Jr.

Letters to the Editor

LETTER TO THE EDITOR

Harold Banks' column in Herald-American 7/26/73 contains an interesting item: "A proposal to raise the pay of all congressmen to at least $50,000. won't get Congressman Gerry Studds' vote. The $42,500. that he and others get would be 'more than adequate', he says, if they didn't have to pay for various office expenses out of their salary. So he'll vote for increase of the allowance for bigger staffs, more office space, more long distance telephone calls, and round trips to and from the individual congressional districts, AMONG OTHER THINGS ...."

Let me now list some of the fringe benefits members of the House get in addition to their $42,500.:

1. Rent free offices - one in Washington as well as three at home.
2. Salary allowance for staff based on number of constituents up to $165,000. (The Senate can get as high as $586,000.!)
3. Free mailing privileges on "office business" mail - plus allowances for airmail and special delivery up to $900. for Representatives ($1,500. for Senators).
4. More than 300 hours of free long distance calls.
5. Stationery allowance up to $4,250. for House ($5,000. for Senators) at special cut-rate stores at Capitol.
6. Free official round trips home - 18 a year for House. Additional travel allowances of 20¢ a mile getting to and from Washington at beginning and end of session.
7. Up to $3,000. a year tax deduction for living costs in Washington.
8. Free parking on Capitol Hill.
9. Free emergency medical care at Capitol Hill medical center, plus free drugs as prescribed by Capitol physicians, and $61. a

10. Government-subsidized health insurance plan.

11. A $45,000 life insurance policy at special rates, plus widow's benefit of $42,500. or year's salary for widow.

12. Free swimming pools and gyms, free steam rooms, masseurs, physiotherapy, haircuts at special barber shop, $2. for House (free for Senators), free flowers for offices, entertaining, reduced-rate meals, free of sales taxes, at private dining rooms in Capitol, and free access to congressional research service for help on speeches, answering constituents' queries, etc.

These facts were obtained from the July 16, 1973 U. S. News & World Report, and every constituent should know them, for it does seem to those of us feeling the great pinch of inflation THAT THESE MEN IN WASHINGTON ARE ADEQUATELY TAKEN CARE OF, and also that Congressman Studds in the quoted remark at the top isn't voting for anything which would cause him any suffering for what he wants could and would probably cost us taxpayers a lot more than additional raise in pay!

Adventures in Salad Making

Now you can cultivate your knowledge about vegetables by using your bean, realizing that in onion there is strength and relishing the radish. They're all ingredients in a new dish known as Garden Vegetables with Chunky Cheese Dressing. The cheese assures that these and other vegetables will please. Here is the recipe:

GARDEN VEGETABLES WITH CHUNKY CHEESE DRESSING

- 1 9-oz. package frozen green beans
- 1 9-oz. package frozen lima beans
- 1 red onion peeled, sliced in very thin rings
- 5 radishes, thinly sliced
- 2 carrots peeled, sliced in matchsticks
- ½ green pepper, thinly sliced
- ½ cucumber sliced transparent thin
- 2 tomatoes peeled, cut in wedges
- ½ cup parsley finely chopped
- ½ cup California walnuts chopped
- ½ cup Pfeiffer Chunky Cheese Dressing

Cook carrots in boiling water 2-3 minutes. Cool under cold water. Drain. Cook beans according to package directions. Drain, cool. Place ingredients in large bowl. Blend well. Makes 8-10 servings.

This is a low-cost recipe. In view of the high prices of greens, you'll be delighted to learn that it doesn't require much "lettuce."

Lowell Weicker, Republican Senator from Connecticut and member of the Senate Select Committee investigating the Watergate situation, addressed the United States Press Club luncheon in Washington recently. During his preliminary remarks he told a true story having to do with his notoriety, or rather lack of it.

While driving to his family's vacation home he stopped in an A & P store to purchase some groceries. Upon reaching the checkout counter he realized that he was without cash. Prepared to pay with a personal check, he exhibited numerous credit cards, a driver's license, and his United States Senate identification card with his picture and President Nixon's signature. Nevertheless, the cashier steadfastedly refused to accept Sen. Weicker's check and he was forced to leave the bag of groceries on the counter and depart.

Senator Weicker later noted in his speech that the A & P store was in Mattapoisett, Massachusetts!

Scout Jamboree

WATERY TRAFFIC JAM - There was heavy traffic last week on Lake Arthur in Moraine State Park, Pa. where the 1973 National Scout Jamboree-East was in full swing. More than 8,000 Scouts canoed, rowed and sailed daily on the picturesque lake 40 miles north of Pittsburgh and more than 45,000 Scouts and leaders attended the gigantic encampment.

SCOUT JAMBOREE

More than 45,000 Scouts and leaders made a mass exodus from the 1973 National Jamboree-East last Wednesday and began their homeward trek.

Among the Scout troops that spent seven days at the encampment was Troop 2451 of the New Bedford area led by Frank Jason.

Idaho folded its tents Tuesday, August 7th, after entertaining 30,000 Scouts.

During the Jamboree, every scout had an opportunity to participate in dozens of activities, meet widely-known personalities and see a number of special shows.

Many of the Scouts met and talked with entertainer Danny Thomas, astronaut Charles G. Fullerton, Congressman Frank H. Clark (D-Pa.), Pittsburgh Pirates slugger, Willie Stargell, football greats Otto Graham and Tom Matte, Chicago Cubs coach Ernie Banks, TV personality Joe Garagiola, former Miss America Vonda Kay Van Dyke, Presidential Assistant Michael J. Farrell and Kentucky Fried Chicken king Col. Harlan Sanders.

Additionally, Terrence Cardinal Cook of New York and Dr. Thomas Spitz, executive director of the Lutheran Council in the United States, conducted Sunday services.

Special shows were staged by the Army's Golden Knights parachute team, the Navy's Seal parachute team and a group of civilian "Skytyping" pilots who wrote Scout symbols in the sky above the sprawling campsite.

More important to the Scouts was the op-

were tired and glad to be home but sorry that their Jamboree adventure had ended.

I think every member of the troop learned something about himself and others on this trip to the Moraine State Park in Pennsylvania and each will have his own special memories. To me the greatest things were the arena shows, the opening, the closing and the church service. The opening and closing shows packed in the most Scouts, but it is really something to see over twenty thousand Scouts sit down to a religious service. The Catholic service was held in back of the arena and I'm sure that service was just as memorable to those attending it as the Protestant service was to us in the arena. One of the things that made our service memorable was the talk by Dr. C. Thomas Spitz, Jr., who flew in from New York City to help with the service. Dr. Spitz's talk was entitled "Hang in There".

Mr. Frank Jason, Scoutmaster of Troop 2451, received an award at the Jamboree for his more than fifty years of service to Scouting. The plaque he received was made locally by a New Bedford man. It is a bas relief of Mr. Jason's head with a whaling scene depicted in oil in the background.

Many different souvenirs were handed out from all parts of the country -- sea shells, Okefenokee swamp water, different foods and recipes, rocks and minerals, etc. Many Scouts were trading patches and neckerchiefs.

The theme for this year's Jamborees was "Growing Together". That is just what we did at the Jamboree and we hope to be able to continue to do so in our many different communities.

Meredith won the initial contest by a decisive margin. Jim Broadwater's Agamemnon placed second, .03 ahead of Mark Roberts' Montserrat.

The second race was closely competitive all along the line and was by far the most exciting one of the week. It soon became a battle royal, with only a boat length or two between contenders. Finally, John Cornish's Barby Jo bested Meredith Barnes' Gay Lee Ann II and Mark Roberts' Montserrat.

EVENING SERIES

A fine 10-15 SW wind sent the two Evening Divisions on their way, both following the same course to Mattapoisett Neck MYC guide buoy, to Barnard's Wharf MYC guide buoy, to Molly's Cove and finish.

Mark Roberts was the victor for the Corinthians and David Donald for the Planing Hulls.

AUGUST SENIOR SERIES

Dark skies and gusty SW winds marked the opening of the August Senior Series on Saturday, August 11th. Winners were Mason Smith and Dave Jenney.

In the first race two skippers withdrew, leaving the alignment: 1, Mason Smith; 2, Phil McCarthy's Wolf; and 3, Carol McCarthy's Blue Cloud.

Next time around, Dave Jenney in Ariel took the lead with Jim Broadwater's Agamemnon exactly one minute behind. Phil edged into third with only 13 seconds to spare over Smith's 4th.

MYC AT BUZZARDS BAY REGATTA

Of the 192 contestants in the Buzzards Bay Regatta, five Mattapoisett Yacht Club skippers made the overall final standings list: Herreshoff 12's (23 starters), Dave Jenney, 4th; Beetle Cats (15 starters), Phil McCarthy, 3rd; James Barnes, 4th; Ralph Eustis, 6th; Widgeons (24 starters), Harvey Pentleton, 3rd.

"WONDER DAY"

The Senior Citizens' Club of Mattapoisett enjoyed a "Wonder" day trip to Sharon, Massachusetts August 8th. A chartered, air-conditioned bus left at 10:00 A.M. from the Legion Hall. The Seniors were a "wonder" - they were prompt, and all who had made reservations are present and accounted for by the president, Mrs. Sophie Sterling. Mrs. Helen Holt of the Fairhaven Council came as a guest of Mrs. Sterling. Everyone was in high spirits as the bus rolled along to Sharon. There were no signs or markers for "Camp Wonderland", so upon arriving there, several inquiries were made, which brought many smiles and varied directions, with many gestures, this-a-way and that-a-way. Unmistakable was the expression "Wonder" if they'll find it!

It seems that all roads led there, but not one single sign-post or directional arrow, and that "Wonder" lay like a spider in a web. Finally the bus arrived at the entrance to "Camp Wonderland" The wonder was that the bus found it. The picnic area was beauti-

ful and peaceful on a lake.

The bus driver, Eric Smith, was a wonder. He was good looking, young, efficient, courteous, considerate of everyone. He deserved a medal. He hopped in and out of the bus many times and his pleasant disposition never changed. The president, Mrs. Sophie Sterling, was beside him with the route and instructions, She also became a swinging Sterling as she acquired great agility as she also did some bus-hopping to verify her instructions and at one point we thought we had lost her.

The bus-load of "Wonder" were happy with not a single grumble or complaint as they unpacked their lunches. Mrs. Agnes Pelczar and her sister Elizabeth had charge of the beverages provided by the club. Everyone did their own thing. Several card games and other table games progressed. Others just walked or sat enjoying the scenery, or went swimming and boating.

Mr. Manuel Roza had his camera and took pictures of the happy groups. "Wonder" came to an end. Everyone enjoyed themselves and hated to part company. The trip to Camp Wonderland was a day of Wonder and free to all paid-up members of the club.

The next meeting of the Club will be at the Legion Hall on Monday, September 10th, at 2:00 P.M.

The Big Failure

Editorial, D.C.J.

Government sources are now quoted in the paper as comparing the present shortages in the United States as minimal in contrast to those in the rest of the world. We are supposed to take comfort in the fact that steak is out of the question in Japan.

The United States has been engaged for 30 years in the most gigantic giveaway program in the history of the world. Our tax money has poured out in a gushing stream. Our food has poured out in a never ending flood. Now, after these years of extravagant spending of our resources, we are to the point where our shortages compare favorably with those of other nations. The shame of the corruption of power as demonstrated recently in our government is nothing compared with the shame of the corruption and waste of this country's resources. The gigantic wheat deal that feeds the Russians is going to cost each American each time he buys a loaf of bread. At the same time, our tax dollars pay wealthy farmers not to grow grain.

Meat has disappeared from the stores in a demonstration of the failure of government controls that crack down on profit while letting expenses go wild. The big failure of the Nixon administration is not the Watergate corruption and misuse of power, bad as that is. The big failure is the half-baked attempt to halt inflation by imposing controls on prices while letting wages and other expenses take the wildest ride in history.

Almost every businessman in this country is caught in a nutcracker of shortage and rising expenses. There is no sense in blaming the corner businessman for increases in prices and those shortages. The blame belongs to President Richard Nixon's administration for an attempt of socialistic government control of an inflation caused by a long-time binge by Democratic liberals in Congress who spent our tax money as if there were no bottom to the pot. Until Americans vote out the big wasters, there is no end to the wild ride except the end of our system.

Health Fair, Sept. 15-16

"HEALTH FAIR FOR THE ELDERLY WEEK"

Older residents of the Greater New Bedford area gained special recognition this past week as Mayor Markey of New Bedford made a proclamation of their behalf.

Through efforts of local community agencies a Health Fair for the Elderly will take place in September. Because of the concern and activity generated by the undertaking of this event, and because of the significance it represents as an effort made toward the health of our senior citizens, Mayor Markey declared the entire week preceding the event as "Health Fair for the Elderly Week".

The Health Fair for the Elderly of Greater New Bedford is the first such event to be held in our area. The New Bedford High School on Hathaway Boulevard will be the site of the two day programs on September 15 and 16 of this year. Though the Fair is open to all adults of New Bedford, Acushnet, Dartmouth, Fairhaven, Freetown, Mattapoisett, Marion and Lakeville, the purpose of the Fair will be to serve the elderly residents of these areas.

The activities for the elderly at the Fair will include services for diabetes screening, glaucoma screening and oral screening. In addition, the Fair will feature information, demonstrations and films on health education, preventive care, community services, nutrition and safety and accident prevention. These activities will be made available to the elderly from 10 A.M. to 4 P.M. on each of these days. All elderly residents are encouraged to make use of these services. There will be no charge attached to these activities and free transporation to the Fair will be available to all elderly citizens wishing to attend.

Dr. Simmons, of the New Bedford City Health Department, highlighted the fact that this special event is being made possible by the personal efforts and contributions of many individuals from both the public and private agencies and organizations of our community. Moreover, local doctors, dentists and nurses will be staffing the screening services for the two days.

This Health Fair is being jointly sponsored by the New Bedford Health Department, St. Luke's Hospital and the New Bedford Council on Aging. The joint sponsors and the special Task Force of over 80 people who have been planning this unique Fair hope that it will serve not only to focus the attention of the greater community on the health conditions and needs of our older citizens but also, and more importantly, that it will provide health education and health screening services to the elderly themselves as an initial step toward an integrated preventive medicine program.

This ambitious undertaking has already gained the attention of other cities and towns in the commonwealth who are eager to learn how to conduct a similar Fair. Dr. Simmons makes it very clear that in his opinion the cooperation, commitment and the hard work of our local people and organizations have been the basic ingredients to the success of the efforts thus far.

The shelter that protects your budget.

It's made of the finest aluminum, doublecoated with baked enamel. With virtually no maintenance at all, it could probably outlast your home.

Yet, it's about the lowest-priced shelter you can buy. And probably the most flexible. It makes a comfortable, shady patio. A handsome carport (single, double, even triple). A poolside cover. You can put it anywhere you need shelter. And then relax.

Worth looking into isn't it?

Great idea for boat storage!

the work of the Juniors.

The Junior officers conferred the Degree and presented a fine meeting which received high praise from Deputy Alcobia.

Under new business the date for the yard sale, subject to the approval of the Subordinate Grange, was changed from September 1 to September 8. This is due to the holiday coming on the September 1st weekend. Christine and Billy Hubbard, Dean and Toni Sylvia, Dick and Karen Barrows are a committee named to meet at Mrs. LeBaron's to set a date and plan a field day picnic at Ned's Point this month. They will be assisted by some of the mothers.

Fred Wilson, master of West Wareham Grange, spoke on the activities of his Grange and the Sippican Pomona.

Deputy Alcobia gave several helpful suggestions to the Juniors. She also spoke of the fine display of projects by the Juniors, both State and National.

The social hour was in charge of Karen Barrows, Christine Hubbard and Richard Barrows.

New Sculpture Gallery

NEW SCULPTURE GALLERY TO OPEN

Maciej "Zak" Zakrzewski, popular metal sculptor from Buzzards Bay, has come up with an entirely new idea in art galleries. "Zak" has noticed that most art galleries display almost 100% paintings, with little or no sculpture, either by preference, or by necessity, not having the means for displaying them. He has also been aware that when most people think of art, they think of paintings, forgetting that sculptors too are artists.

Therefore, with this in mind, he and his wife Nina have decided to open an art gallery for sculpture only; no paintings! It is to be called simply Sculpture Art Gallery, and all sculptors are invited to bring their work for acceptance any day except Tuesdays. Open House will be from 10 A.M. to 10 P.M. Saturday, August 18th. Coffee will be served.

Inasmuch as the gallery will be heavy with "Zak's" own metal sculpture (no pun intended) he will accept clay, wood and other media to help offset it. If work can be brought in before August 18th, it will be most welcome. The gallery is at the Craft Arts Center, 3251 Cranberry Highway. For information call 759-2811.
